01 LOGOTYPE VISUAL GUIDELINES

The form of the Marbella in Style Symbol is based on a golden crown symbol. The Marbella in Style Wordmark uses a customized typeface and should not be altered.

Together, the Symbol and Wordmark create the Marbella in Style Logotype. The Logotype forms the most significant feature of the Marbella in Style corporate identity and should be used on all aspects of branded communication. The Marbella in Style Logotype should never be altered, tilted, distorted, manipulated or disassembled on any application.

02 LOGOTYPE CLEAR ZONES

02 LOGOTYPE CLEAR ZONES

The following is the clear zone rule for the vertical Marbella in Style Logotype. In order to gain maximum visibility, the Marbella in Style Logotype should always appear with a minimum area of clear space around the logo. This area should be free of any type or graphic element. Using centerline height of the letter “i” the clear space is a 1x area around the entire Logotype. This rule applies to all versions of the Marbella in Style Logotype on all mediums.

Changing any graphic element of the Logotype will weaken its impact and detract from the consistent image we seek to project. The illustrations to the right describe some, but not all, of the more common misunderstandings and inappropriate uses of the Signature.

COLOUR. DO NOT CHANGE THE COLOURS OF ANY OF THE LOGOS.

EFFECTS. DO NOT ADD ANY KIND OF EFFECTS LIKE A DROP SHADOW TO THE LOGO.

CONTRAST. THE LOGOS SHOULD ALWAYS BE PLACED IN LOCATIONS THAT ARE NOT TOO COMPLEX TO ALLOW THEM TO BE VIEWED CLEARLY.

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged.
